Winner of the 2017 Hans Rosenberg Book Prize

Praise for the cloth edition:

“[Retallack] has produced probably the most important English-language study ever published of the suffrage struggles that characterized 19th-century Europe.” – *CHOICE*

“*Red Saxony* ... will define the field for years to come. The appearance of this book within the current global political moment, as long-held democratic commitments are increasingly under attack, makes *Red Saxony* a work as timely as it is erudite.” – Hans Rosenberg Book Prize laudatio, Central European History Society

“[A] combination of exhaustive archival research, complete mastery of the existing body of secondary scholarship, and writing that is engaging, erudite, and replete with literary references ... The result is a singular accomplishment that will rank for years to come among the very best studies of Germany and the transformations of its political culture.” – *American Historical Review*

July 2020 (UK) | August 2020 (US)

£35.00 **£24.50** | \$45.00 **\$31.50**
